Sorting and Taking Out Household Trash

June, 2019

英語

We ask for your cooperation in sorting your refuse to make Hirakata into a recycle-oriented city which does not waste resources and reduces garbage.

- Separate refuse thoroughly, putting it in colorless transparent or white semi-transparent plastic bags (so that the contents can be confirmed) 45 liters or under, and take it out.
- Follow the collection day schedule and put trash out by 8:45AM on collection day. (Collection time may vary depending on traffic conditions, etc.)
- Take trash to the designated collection spot of your area.

Inquiries concerning garbage:
 Environment Division,
 Waste Reduction Office
 Tel: 072-849-7969

※ See the Household Garbage Collection Schedule by Area list and fill in what day the trash in your area will be collected in the blank box.

Fires in garbage trucks are caused by such things as gas canisters and disposable lighters!

Always follow the rules of disposing trash to prevent fires in garbage trucks.

- ◆ After making sure to remove the ignition batteries, dispose of gas ranges, portable gas burners, water heaters, and heaters as "small-size bulky refuse".
- ◆ After using the contents entirely, dispose of gas canisters for lighters, oil cans for lighters, gas canisters for portable burners, and spray cans with "cans, bottles, and glass materials".
- ◆ After using all fuel in the lighter, submerge it in water for about a day so the flint can no longer spark. Dispose of plastic lighters as "regular garbage" and dispose of metal lighters as "small-size bulky refuse".
- ◆ Dispose of portable rechargeable batteries in recycling boxes of participating shops which recycle them.

※ For further details, see ● About Portable Rechargeable Battery Recycling ●

◎ If you are concerned about the disposal of gas canisters and spray cans etc., which are not entirely empty, the "Hotanigawa Waste Disposal Plant" and the "Tobu Waste Disposal Plant" take them Monday through Friday from 9:00AM to 5:00PM, so please bring items directly to one of the plants. For details, please contact the Waste Reduction Office.
